Who can buy coverage?

- You may buy coverage if you're an active, full-time employee. Seasonal, temporary, or contract employees can't purchase.
 - If you're on regularly scheduled day off, holiday, vacation day, jury duty, funeral leave, or personal time off, you're still considered actively at work, as long as you're fulfilling your regular duties and were working the day immediately prior to your time off.
 - You must enroll within 31 days of being eligible. If you don't, you'll have to wait until the next open enrollment period.
- If you're covered, you may buy coverage for your dependents.

Additional eligibility requirements may apply.

What's the difference between elective and necessary contacts?

- Elective - when vision can be corrected by glasses, but contacts are worn.
- Necessary - when vision can't be corrected with glasses due to extreme vision problems.

Why am I charged an additional copay for contact fitting and evaluation?

- Contact lens wearers require an additional evaluation of the eyes' measurements, and possible follow-up appointments, for fitting and training on proper use of contact lenses.
- For these additional services, you won't pay more than \$60 at in-network providers.

Are benefits the same for all VSP doctors?

- Yes, with the exception of Costco®, Walmart®, and Sam's Club®. The frame allowance at these locations is \$70 which is equivalent to a \$130 allowance at other VSP doctor locations. Not all providers at participating retail chains are in-network for exam services.
- Benefits may also vary by location due to state law.

How do I find a VSP doctor?

- Visit vsp.com to locate VSP doctors close to you -- or to see if your current eye care professional is in the VSP network.
 - You'll need to choose the "Choice" doctor network to view the VSP doctors for your coverage.
- Call 800-877-7195.

Will I get an ID card?

- Yes, your card will have a unique member ID that your doctor will use to verify benefits.

Will my doctor submit my claim?

- If you're seeing a VSP doctor, they'll submit the claim for you.
- If you're seeing someone outside the VSP network, you're responsible for submitting your own claim. You can get that form from vsp.com after logging in as a member using your member ID. Or call 800-877-7195.

Are there any additional savings with VSP?

- Glasses and sunglasses - you can save an average of 20-25% off glasses or sunglasses from any VSP doctor within 12 months of your last covered vision exam.
- Laser vision correction - you pay an average of 15% off the regular price and 5% off the promotional price. You'll only receive these discounts from contracted clinics.

These savings can vary based on state laws and provider location.

Additional benefits

Prevailing charge

When you receive care from an out-of-network-provider, benefits will be based on the 90th percentile of the usual and customary charges.

Maximum accumulation	Some of your unused annual benefit maximum can be carried over to the next year. To qualify, you must have had a dental service performed within the calendar year and used less than the maximum threshold. The threshold is equal to the lesser of 50% of the out-of-network maximum benefit or \$1,000. If the qualification is met, 50% of the threshold is carried over to next year's maximum benefit. Individuals with fourth quarter effective dates will start qualifying for rollover at the beginning of the next calendar year. You can accumulate no more than four times the carry over amount. The entire accumulation amount will be forfeited if no dental service is submitted within a calendar year
Periodontal program	If you're pregnant or have diabetes or heart disease, you may receive scaling and root planing covered at 100% (if dentally necessary), or one additional cleaning (routine or periodontal) subject to deductible and coinsurance.
Second opinion program	You may be eligible for second opinions from dental providers at 100%. This program makes sure you get the best advice to make an informed decision about your care.
Cancer treatment oral health program	If you have cancer and are undergoing chemotherapy or head/neck radiation therapy, you may receive up to three fluoride treatments every 12 months covered at 100% plus one additional routine cleaning.

How do I find a network dentist?

When you receive services from a dentist in our network, your cost may be lower. Network dentists agree to lower their fees for dental services and not charge you the difference. You'll have access to the Principal Plan Dental network, with more than 117,000 dentists nationwide. Visit principal.com/dentist to find a dentist or call 800-247-4695.

What if my dentist isn't in the network?

You can refer your dentist to our network. Please submit the dentist's name and information by calling 800-247-4695, or submitting a form at principal.com/refer-dental-provider.

What are the limitations and exclusions of my coverage?

- Missing tooth –The initial placement of bridges, partials, and dentures to replace teeth missing before this coverage starts won't be covered. If this policy replaces coverage with another carrier, continuous coverage under the prior plan may be applied to the missing tooth provision requirement. This doesn't apply to pediatric essential benefits.
- Frequency limitations for services are calculated to the month and exact date from the last date of service or placement date.

There are additional limitations to your coverage. Please review your booklet for more information.
